Founded in 1929, the Ontario Motor Coach Association is a full-service trade association representing 80 bus operators, over 100 tour operators and over 700 affiliated sellers to the group tour industry including attractions, destinations, hotels, and retail outlets across North America. Operator members provide scheduled intercity, charter, tour, school bus, contract, shuttle, airport and transit services. The OMCA works with all levels of government to outline the industry's contributions and concerns regarding a seamless, sustainable public and private passenger transportation network.
