

### **COVID-19 Protocols for Tour Operators/Group Travel**

The goal of group tour companies is to provide safe travel experiences for their passengers.

OMCA Tour Operator members have agreed that they will only work with Covid-19 Safety Protocol vendors. This applies to:

- Motor Coach Operators
- Restaurants
- Attractions
- Theatres/Events
- Hotels

Each Tour Operator will provide documentation to passengers at the time of booking of what to expect on their trip; what protocols the Tour Company is following.

It is the responsibility of the passengers or group leader booking the tour to ask what protocols are in place to ensure safety of all passengers and ensure a level of comfort in group travel.
